

Fall 2022

Dear Pines of Peace Supporter,

What an honor and a privilege to be able to share with you that the Pines of Peace is currently serving our 553<sup>rd</sup> family since our opening in 1998. The Pines is truly a magical place where the terminally ill are cared for around the clock at no cost to them or their families. Each resident is escorted to the end of their earthly journey with dignity and grace by an amazing team of volunteers and staff.

It truly takes a village to continue to serve our community. Would you help us with our mission and become a financial contributor today? No gift is too small. Every single dollar generously donated goes directly towards our operating costs. This enables us to continue our tradition of excellence in care that has always defined the Pines of Peace.

The Board of Directors, this caregiving team and all of our wonderful, selfless volunteers thank you in advance for partnering with us. Your generous contributions help us to help others. Thank you so very much for your consideration.

“You matter because you’re you. You matter to the last moment of your life, we will do all we can, not only to help you die peacefully, but also to live until you die.”

~Cicely Sanders

Sincerely,

Sara Kennedy  
Executive Director
