Fall 2026
Caring by Sharing Annual Appeal

Dear Pines of Peace Supporter,

The Pines of Peace opened in May1998 as the first Comfort Care Home in Wayne County. The mission of the home is to provide 24-hour care to individuals with a Hospice diagnosis and prognosis of three months or less. We open our hearts and our hands to those who require physical care and emotional support as they cope with the experience of a terminal illness.

What an honor and a privilege it is to share with you that the Pines of Peace is currently serving our 627th family since our opening 28 years ago. Each resident is escorted to the end of their earthly journey with dignity and grace by an amazing team of volunteers and staff. We receive no insurance benefits for our services and simply encourage our residents and their families to "pay it forward" as they are able.

It truly takes a village to continue to serve this community. The daily cost to keep our doors open exceeds $900.00. Our budget is funded through memorials, grants, special events, and your personal donations. *Would you help us with our mission and become a financial contributor today? No gift is too small.* Every single dollar generously donated goes directly towards our operating costs. Your monetary support enables us to continue our tradition of excellence in care that has always defined the Pines of Peace. We are an eligible 501(c)(3) organization for those who wish to make a qualified charitable contribution (QCD).

The Pines of Peace Board of Directors, this caregiving team, and all our wonderful, selfless volunteers extend our sincere appreciation for your support to our annual campaign. Your generous contributions help us to help others. Thank you so very much for being a part of our village.

"What counts in life is not the mere fact that we have lived. It is the difference we have made to the lives of others" ~Nelson Mandela
